

# Nazi White Trash - 1/1

**Interprété par LeftÖver Crack.**

One of us will be betrayed it's not enough for you to say  
"i'm sorry" or lie about it all yer a meglo-nymph & yer mating call is  
money & religion, segregation & division  
your dirty cash in the pockets of the wicked politicians  
lobbying for slavery in a new and modern way  
repenting when yer caught, but this is what i say:

one of us will be betrayed  
and time kills us all  
so we say... we hope you die sooner
