

The Hardest Day - 1/2

Interprété par The Corrs.

One more day, one last look
Before I leave it all behind
And play the role that's meant for us
That said we'd say goodbye

One more night (one more night) by your side (by your side)
Where our dreams collide
And all we have is everything
And there's no pain there's no hurt
There's no wrong it's all right

If I promise to believe will you believe
That there's nowhere that we'd rather be
Nowhere describes where we are
I've no choice, I love you
Leave, love you wave goodbye

And all I ever wanted was to stay (all I ever wanted was to stay)
And nothing in this world's gonna change, change

Never wanna wake up from this night
Never (never) wanna leave this moment
Waiting for you only, only you
Never gonna forget every single thing you do
When loving you is my finest hour
Leaving you, the hardest day of my life
The hardest day of my life

I still breathe (I still breathe), I still eat (I still eat)
And the sun it shines the same as it did yesterday
But there's no warmth, no light
I feel empty inside

But I never will regret a single day
I know it isn't going to go away
What I'm feeling (I'm feeling) for you
I will always love you
Leave, love you wave goodbye (love you wave goodbye)

And all, and all I ever wanted was to stay (all I ever wanted was to stay)
Nothing (nothing) in this world's gonna change...

Never wanna wake up from this night
Never (never) wanna leave this moment
Waiting for you only, only you
Never gonna forget every single thing you do
When loving you is my finest hour

The Hardest Day - 2/2

I never knew I'd ever feel this way
I feel for you...

Never wanna wake up (I feel for you, I feel for you) from this night
Never (never, never) wanna leave this moment
Waiting for you only, only you
Never gonna forget (never gonna forget) every single thing you do
When loving you is my finest hour
Leaving you, the hardest day of my life...
Never wanna wake up from this night...

Fade out
