REFRAIN

I am not your Casanova
Me and Romeo have
Never been friends
Can't you see how
much I really love you
Gonna sing it to you
tine and time again.
Oh Casanova
Casanova

Every man deserves a good woman
And I want you to be my wife
Time is so much better spent baby
With a woman just like you in my life
So let me love you
Fill me up inside
I wanna hold you baby
So let me squeeze you
Don't you know that I'll be
On my knees for you baby
Oooh Baby

REFRAIN x 2

Oh Casanova
Casanova
Every time I wanna see you
I can't find the words to tell you so
But I love you I love I love I love you baby
And I just gotta let you know
How much I need you
Show you what you mean to me each day baby
And when I told you
Gir, I'm an average guy
(average guy)
You seemed to know
Just how I really feel
Cos I can't let you go
I need you and want you
To stay right here with me
But baby I never knew love
Until you came along
Oh Casanova
