

# Smash - 1/1

**Interprété par The Goo Goo Dolls.**

Hey. . .what are ya thinkin'  
I tried to read your face  
Say. . .say what you're thinkin'  
Don't carry round that pain

Everytime I see you pickin' at yourself  
I love . . .I love when things work out

Smash. . .I heard ya cryin'  
Seven times this year  
Crash. . .but now you're smilin'  
Holdin' back your tears

Everytime i see you pickin' at yourself  
I love . . .I love when things work out  
Everytime I see you torturin' yourself  
I love . . .I love when things work out

And I see it from another place right now  
I'm comin' home before I hit the ground  
Right back where I want to be right now

And I feel it  
Smash  
And I feel it  
Smash  
And I feel it  
Smash
