

## My best friend - 1/1

Interprété par Mö.

One knows since one is quite small  
And from the first day when one met  
One swore itself  
To remain always friendly  
Whatever it arrives  
This meeting changed my life  
You restored me the peach  
I promises you, thaht together, one will always party

Refrain:

I consider you as my big sister  
You will always be present in my heart  
When you will have problems  
For me has no problems there  
I shall always be there to comfort you

We have no same tastes  
But it doesn't much matter  
It is not as far as I shall slam the door  
You are too dear to me  
Know that I am proud  
To have you as friend

Refrain

In case of boredom  
You are there to help me  
You are really the best  
Nobody girls  
Arrive at you to the ankle  
Now, you do party of the family

When one does the lunatics  
And what one laughs  
It is thanks to you  
You always have the words for it mess around  
It is with you that one bursts most

I hope that I too  
I am your best friend  
Because I do not want to lose you  
I shall do all that it is necessary to remain tour friend

Refrain
