

## Dope Nose - 1/1

Interprété par Weezer.

Debt

On my head

Wasting time

On my own

Sleep

Rescue me

Take me back

To my home

Chorus:

For the times

That you wanna go and

Bust rhymes real slow

I'll appear

Slap you on the face and

Enjoy the show

Cheese

Smells so good

On a burnt

Piece of lamb

Fag

Of the year

Who could beat

Up your man?

Chorus

Ohhhh

This dope nose

Chorus

Ohhhh

This dope nose
