

Miss America - 1/2

Interprété par Nick Carter.

Early morning
A small cafe
A beautiful vision
Comes my way

I watch her hips swing
When she walks
She leaves me speechless
When she talks

I see the sunshine through her dress
Makes my heart say (yes)
Take it off take it off
Let's get it on get it on
Light a fire so sweet
Make the man within me
Desire the woman in you

[Chorus]
Miss America
Yes that's what you are
All my dreams they come true
When you do what you do
I just gotta get next to you
Miss America
Take me where you are
In the land of the free
Make a prisoner of me
Close my eyes and you're all that I see
Miss America

I see your beauty shine in every girl
Coast to coast
You're the queen of my world
You're the reason for this state I'm in
New York to LA
Skin to skin

Take it off take it off
Let's get it on get it on
Makes me strong
Makes me weak
Makes the man within me
Love the woman in you

[Chorus]

Miss America - 2/2

There's one thing you need to know
Oh woman
You rock my world cuz you're so
Beautiful

Miss America
Yes that's what you are
Miss America
Take me where you are
