

Scientist - 1/1

Interprété par Coldplay.

Come up to meet you
Tell you I'm sorry
You don't know how lovely you are
I had to find you
Tell you I need you
Tell you I'll set you apart
Tell me your secrets
And ask me your questions
Oh let's go back to the start
Running in circles
Coming in tails
Heads are a science apart

Nobody said it was easy
It's such a shame for us to part
Nobody said it was easy
No one ever said it would be this hard
Oh take me back to the start

I was just guessing
At numbers and figures
Pulling the puzzles apart
Questions of science
Science and progress
Could not speak as loud as my heart
Tell me you love me
Come back and haunt me
Oh when I rush to the start
Running in circles
Chasing tails
Coming back as we are

Nobody said it was easy
Oh it's such a shame for us to part
Nobody said it was easy
No one ever said it would be so hard
I'm going back to the start.
