## (Just Like) Starting Over - 1/1

## Interprété par John Lennon.

Our life together is so precious together We have grown - we have grown Although our love is still special Let's take a chance and fly away somewhere alone

It's been too long since we took the time No-one's to blame, I know time flies so quickly But when I see you darlin' It's like we both are fallin' in love again It'll be just like starting over - starting over

Everyday we used to make it love Why can't we be makin' love nice and easy It's time to spread our wings and fly Don't let another day go by, my love It'll be just like starting over - starting over

Why don't we take off alone Take a trip somewhere far, far away We'll be together all alone again Like we used to in the early days Well, well darlin'

It's been too long since we took the time No-one's to blame, I know time flies so quickly But when I see you darlin' It's like we both are falling in love again It'll be just like starting over - starting over

Our life together is so precious together We have grown - mmm, we have grown Although our love's still special Let's take a chance and fly away somewhere alone

Starting over, 000-00-000...
