

Tell Me - 1/1

Interprété par Groove Theory.

Oh ooh ooh, yeah

I've been doing my own thing
Love has always had a way of having bad timing
But to my great surprise
Ever since I looked in your eyes
I had one question for you

1-Tell me if you want me to
Give you all my time
I wanna make it good for you
Cuz you blow my mind
I promise boy that I'll be true
You're the perfect find
So tell me if you want me to

Yeah
If you thought I'd sleep on this
Boy, you're wrong cuz all I dream about is
Our first kiss
And you're the first one to make me feel like this
And this is one opportunity that I can't resist
No no

Boy you wanna know the deal
You are wondering if the words I'm saying are for real
Cuz you got more appeal
Than any man in this whole world
And baby I got to know how you feel
(rpt 1)

Sweetheart now it's time I let you know
I don't want to rush
We should take it slow
Boy, I can love you, can you help me grow
Give me a new beginning
(ad lib to end)
