Interprété par Tupac Shakur.

Shit, you mothafuckin right. I'm the bitch that's keepin it live and keepin it hot when you punk ass niggas is on. Nigga, west side. What!!
Bring it on.

Look for me. Lost in the world in 96. Bonnie and Clyde.
Me and my girlfriend doin 85 when we ride, drive in this world of sin.
Born as a ghetto child. Raised in this whirlwind.
Our childhood years recall the tears. Heart laced with venom.
Smokin Chern, drinkin malt liquor. Father forgivin.
Me and my girlfriend must of fell in love with the struggle.
Hands on the steering wheel. Bust! Watch me bail out and bust em.
Fuck em all. Watch em fall. Screamin.
Automatic gunfire exorcisin all demons. My posse off on the side.
My conragation high, ready to die. We bail out to take the jail back.
Niggas united. Our first date. Can't wait to see you naked.
Touch you in every secret place. I can hardly wait to bust freely.
Got you red hot. You so happy to see me.
Make the frontpage, primetime live on TV.
Nigga, my girlfriend may be .45 but she still live.
One shot makin niggas heart beats stop.

What!! I'm bustin on you punk ass niggas. Run, nigga, run. I'm on your ass nigga. Run, nigga, duck and hide. I'm bustin on all you bitches. Run, nigga, yeah. West side, uh,uh,uh. Die, nigga, die.

My girlfriend blacker than the darkest night.
When niggas act bitch made, she got the heart to fight.
Nigga, my girlfriend. Though we seperated at times,
I know deep inside baby girl'll always be mine.
Picked you up when you was 9. Started out my life of crime wit you.
Bought you some shells when you turned 22. It's true.
Nothing compares to the satisfaction that I feel when we out mashin.
Me and my girlfriend.

(Chorus)

All I need in this life of sin,
Is me and my girlfriend.
Down to ride to the bloody end.
Just me and my girlfriend.

I was too immature to understand your ways.
Inexperienced back in the days.
Caught so many arguments and strays.
Now I realize how to treat cha.
The secret to keep ya. Bein faithful cuz now cheating's leathal.
We closer than the hands of time. Deeper than the drive of mankind.
I trust you dearly, I shoot blindly. I time I clock figures.

Me And My Girlfriend - 2/2

Droppin niggas as we rise. We all souljas and God ties.
Now it's time for war. Never leave me waitin. I'm paranoid.
Sleepin with you loaded by my bedside, crazy.
Jealous when you hang wit the fellas.
I wait patiently and long anticipated for the moment you come home.
I'm watin by the phone. This is true love, I could feel it.
Alot of women in my bed but you the realest.
If you need me, call. I'll be there. Do it all.
You're the reason I could stand tall.
Me and my girlfriend.

Chorus repeats

I love finger fuckin you.
All of a sudden I hearin thunder when you bust a nut.
Niggas be duckin. I'm takin numbers.
Love to watch you at a block party beggin for drama.
While unleashin on the old times. That's on my mama.
I would trade my life for yours.
Behind closed door, the only girl that I adore.
Everything I'm askin for.
Talkin to me, beggin me to just take you around.
17, like Brandy, you just wanna be down.
Talkin loud. When I tell you be quiet, you move a crowd.
Bustin rounds, activatin arye. That's why I love you.
So no control, down to roll. Unleash. After I hit, you break apart.
Then back to one piece. Much love to my one and only girlfriend.
The world is ours. Just hold me down. Baby, witness the power.
Never leave a nigga alone. I love you, black or chrome.
Turn this house into a happy home.
Me and my girlfriend.

Chorus repeats
