

## Keep It Moving - 1/2

Interprété par Mary J Blige.

Some come around me try'na call my bluff  
Pushing my buttons just to see if I'm tough  
Behind my back spreading all kinds of lies  
'Cause you're an agent working on both sides  
Hanging around me try'na get some shine  
But mad at me because I work for mines  
Those sweat and tears just to make a dime  
While you sit back and try to take what's mine

(Chorus)

Don't let 'em push you to the limit  
'Cause they like it alot  
And if they not with you,  
Then tell them to just keep it moving

'Cause you aint even got no business hating on me  
And I'm sorry that you feel this way  
But you can just  
Keep it moving, keep it moving yeah!

Lyricaly, mentaly, physicaly  
I'm trying my best to better myself  
And no one else  
But your so busy thinking that this moneys'  
Gonna turn me to someone else  
And settle for less

Get your own life  
On your own time  
Stop hangin around  
Try'na drain me dry  
I been broke before  
I can't do it no more  
But If I had to it wont be over you  
No one in this world  
Can make me self-destruct  
If you listen real close  
You will hear just what I'm Try'na  
Say to you, you and your crew  
So stop sittin 'round waiting  
On me to lose

(Chorus)

You aint got no business  
You aint got no business hating on me and don't even know me

Sorry that you feel this way

## Keep It Moving - 2/2

I said sorry that you feel  
But I work for mines

(Chorus)

Don't let 'em push ya  
Keep it moving  
You aint got no business  
You dont even know me  
I'm just try'na tell you  
I'm not gonna let them  
I said I'm not gonna let them  
Push me over no mountain, no \_\_\_\_\_, no building  
Just keep it movin'  
Keep it movin'  
Go'ne with that  
Go'ne, go'ne, go'ne, go, go, go  
If you're not with me  
Then you're not with my family  
Keep it moving, yeah  
Keep it moving, yeah  
Keep it moving, yeah

I gotta keep it moving  
Everybody try'na test the water  
Always wanna see if I say what I am  
In every magazine but that be me  
Right down to the nitty gritty, yeah yeah

I'm where I say I'm from, yeah yeah  
I'm where I grew up, yeah yeah yeah yeah
