Boy you fill me with so much joy,
You give whatever it is I need
My love here to stay won't ever leave,
So glad that you fell in love with me

Pont

My love is so good that I wouldn't be without you babe,
Couldn't see me without you babe
My love is so good that I wouldn't be without you babe
Couldn't see me without you baby

Refrain

(All my life) I've been searching for you (everyday)
So glad that I found you boy,
(All my life) I've been feeling for you (everyday)
I'm so happy baby

Boy you got me feeling so good,
You take all my pain away from me
Without you around I couldn't be
And I know you fell in love with me

Pont
