

You've got that something - 1/1

Interprété par Robyn.

Look at me here I am I'm givin all of my lovin'
everyday of my life to you
All you see can be yours
If you show me you love me just one little hint will do
And I know I give too much and there is much I sacrifice
But I've got all the reasons when I look into your eyes
I know I love you even though I shouldn't and you should know
I've tried to stop
You've got that somethin'
Somethin' I can't describe
Gives me that feelin'
Gives me that freaky vibe
You've got that something that makes me feel so fine
Makes it worth waiting until the day that
you will be mine, all mine
You decide take your time I just want you to know that
I'll always be here for you
My friends keep tellin me: you've gotta let go!
They say that I'm too good for you and maybe that is true
But I just keep on lovin' you the way I did before
And you should know I've tried to stop
