

# Do you know what it takes - 1/1

Interprété par Robyn.

Always be around...

Don't you know I can see what you're doing  
Runnin' around with your cheap talk, cheap talk (yeah)  
What I need is a man who can do me right (do me right)

If you got what I need I can guarantee  
To return all the love that you've given to me  
But I've got to be sure that you always will be around  
(always be around)

Do you know what it takes to love me?  
Do you know what it takes to do me right?  
Do you know what it takes to love me baby, baby?

Heaven knows in my time I've been lonely  
Feelin' my love echo in my mind, in my mind (yeah)  
A never satisfied girl's what they call me  
But I just can't keep goin' on livin' lies

Guarantee on to me you won't let me down  
There's so much I can give but it's buried so deep  
I've just got to be sure that you always will be around  
(always be around)

Do you know what it takes to love me?  
Do you know what it takes to do me right?  
Do you know what it takes to love me baby, baby?  
Do you know what it takes? (Do you know?)  
Do you know what it takes?

Don't waste my time with your lies  
Yeah baby, I gotta know  
You've got to prove that you will always be around

I'll give you everything  
Boy will you do the same for me?  
Will you do anything?  
I gotta know the way it'll be

Do you know what it takes to love me?  
Do you know what it takes to do me right?  
Do you know what it takes to love me?  
Do you know what it takes to do me right?  
Do you know what it takes?

Don't waste my time
