

# One Love - 1/1

**Interprété par Blue.**

It's kinda funny how life can change  
Can flip 180 in a matter of days  
Sometimes love works in mysterious ways  
One day you wake up gone without a trace

[bridge]

I refused to give up  
I refused to give in  
You're my everything  
I don't wanna give up  
I don't wanna give in, oh no  
Everybody sings

[chorus]

One love - for the mother's pride  
One love - for the times we cried  
One love - gotta stay alive  
I will survive  
One love - for the city streets  
One love - for the hip-hop beats  
One love, Oh I do believe  
One love is all we need

Late at night I'm still wide awake  
Feel this is far more than I can take  
I thought my heart could never break  
Now I know that's one big mistake

[bridge]

[chorus]

Baby, just love me love me love me  
Baby, just hold me hold me hold me  
Oh, love me love me love me, Oooh

[chorus]
