

# B-Boys And Flygirls - 1/1

**Interprété par Bombfunk Mcs.**

B-Boys Flygirls throw your hands in the air  
Ah yeah, like you just don't care

Old skool sounds, come down blatin'  
All the homies in the house, you know they be maxin'  
Coolin' out with style-like back in the days  
Representin' the skills, puttin' suckers in their place

Funky fresh-with the most finest  
DJ cuttin' records so you could impress  
All the Flygirls, yeah the sexy ladies  
See ain't no doubt about what's happening later

B-Boys Flygirls throw your hands in the air

Ah yeah, like you just don't care

Two turntables and a microphone  
That's all we need to rock on the show  
Bam, bam, bam are you ready for yes-yes-yal ('in)  
Get your funky ass up- this is the last calling

Funky fresh-with the most finest  
DJ cuttin' records so you could impress  
All the Flygirls, yeah the sexy ladies  
See ain't no doubt about what's happening later

B-Boys Flygirls throw your hands in the air  
Ah yeah, like you just don't care
