GLOW

Nothing can take away the love
That you swept into my heart

Nothing can take away that love
Have you kisses in the dark

Because your eyes will take me to the light
And your arms will be my paradise
Like ripples in the night
Ohhhh.....

Something task me other want
I know that I can live on you
I never felt and break so warm
You can chase the way my blues

I'll be yours forever
You are mend for me

Nothing can take away the love
That you swept into my heart
Nothing can take away that love
Have you kisses in the dark

Cause your eyes will take me to the light
And your arms will be my paradise
Like ripples in the night
Ohhhh.....

Your kisses on my lips feel right
I need you according back to mine
When you wonder from my sight
All I want is to see your smile
I'll be yours forever
You are mend for me

Nothing can take away the love
That you swept into my heart

Glow - 2/2

Nothing can take away that love
Have you kisses in the dark

Because your eyes will take me to the light
And your arms will be my paradise

Like ripples in the night

Ohhhh.....
