

Couldn't care less - 1/1

Interprété par No Angels.

I guess I'm okay now in every way
I manage somehow since
You went away. To find yourself
I hope you do 'cause now. now we are through

I couldn't care less
If you don't love me
I couldn't care less
If you don't want me
But I gotta confess
That when you abandoned my heart
You know. You tore it apart

I've got my strenght back
to go on with my life
The nights getting shorter now
And days are passing by
And god knows I cried
But now I know I'm finally over you

Now the loneliness is gone
It's time to move on. 'cause I know that I will
Make it on my own
'Cause I can smile again
It's more than I could then
It's funny how time can heal a heart

I couldn't care less
If you don't love me
I couldn't care less
If you don't want me
But I gotta confess
That when you abandoned my heart
You know. You tore it apart
