

Don't Let Go - 1/1

Interprété par En Vogue.

Refrain:

What's it gonna be
Cause I can't pretend
Don't you wanna be more than friends
Hold me tight and don't let go
Don't let go
Have the right to loose control
Don't let go

I often tell myself
That we could be more than just friends
I know you think that if we move to soon
It would all end
I live in misery when you're not around
And I won't be satisfied till we're taking those vows

There 'll be some lovemaking heartbreaking soul shaking
Oh lovemaking heartbreaking soul shaking

Refrain

I often fantasize
The stars above are watching you
They know my heart and speak to yours
Like only lovers do
If I could wear your clothes
I'd pretend I was you and loose control

There'll be some lovemaking heartbreaking soul shaking
Oh lovemaking heartbreaking soul shaking oh yeah

Refrain

Running in and out my life has got me so confused
You gotta make the sacrifice
Somebody's got to choose
We can make it if we try for the sake of you and I
Together we can make it right

Refrain (x2)
