

## I Need You - 1/2

**Interprété par 3 T.**

I need you, girl  
I couldn't live a day without you

Well I tried to write a special song  
A love song just for you  
To explain the way you make me feel inside  
Though the meaning may be simple  
And the words may not be new  
I couldn't make it clearer if I tried

I need you  
And I couldn't live a day without you  
I need you  
More than anyone could ever know  
I need you  
And I wanna build my world around you  
I need you  
I need you

Well I sang the words and realized  
It'd all been said before  
So I tried a different line that meant the same  
But it didn't have the feeling  
And the first one said much more  
So I guess I'll have to say it once again

I need you  
And I couldn't live a day without you  
I need you  
More than anyone could ever know  
(More than anyone could ever know)  
I couldn't live a day without you, girl  
I need you and I wanna build my world around you  
Baby  
(I need you)

(Oh I need you)  
Baby  
(Couldn't live a day without you)  
(Ooh)  
More than anyone could ever know  
(More than anyone could ever know)  
I couldn't live a day without you, girl  
I need you and I wanna build my world around you  
(Ooh)  
(I need you)

## I Need You - 2/2

I need you  
(I need you)  
And I couldn't live a day without you  
(I want you)  
(Couldn't live a day without you)  
I need you  
(yeah, yeah)  
More than anyone could ever know  
(I say it ever and ever)  
I need you  
(I need you)

And I wanna build my world around you  
(I want you)

(Couldn't live a day without you)  
I need you  
(yeah, yeah)  
I need you

Well I tried to write a special song  
A love song just for you  
I need you
