Once, there was this kid who  
Took a trip to Singapore and brought along his spray paint  
And when he finally came back  
He had cane marks all over his bottom  
He said that it was from when  
The warden whacked it so hard

They got paid for their sound bites  
And sold their TV movie rights

And then, there was this guy who  
Made his wife so mad one night that she cut off his weiner  
And when he finally came to  
He found that Mr. Happy was missing  
He couldn't quite explain it  
It'd always just been there
