

## Spit - 1/1

**Interprété par Kittie.**

coward!  
spit! i think i'll spit  
for all those girls  
who speak contradiction  
the guy who crept through the shadows everyday  
to clutch his own conclusion  
watch all the blood  
as it drips from your veins you coward  
godspeed, may your death come quickly  
i think i'll take this hate and spit, spit  
now as it's passed onto the next one  
i feel a bloodrush come right over me  
you know you will never be right  
in the eyes of the ones who know  
you trusted the devil  
and she will betray you  
low  
why do i get shit all the time  
from you men  
you are swine  
you think dick is the answer  
But its not [x2]
