

# Paperdoll - 1/1

**Interprété par Kittie.**

i look at her in that paper dress  
i wonder why she won't burn  
she's just a paperdoll  
that's all  
just a paperdoll  
i dress her up  
i dress her up, she knocks me down (x2)  
they try her on for size, she fits nice, one size fits all (x2)  
now her soul is dead  
now her body's raw  
you can numb her pain  
watch the blood run down her face, but don't take notice  
& watch the blood run down her arms, please don't take notice  
i know you have her soul, & i see it in your eyes  
she knows you have her soul, & she sees it in your eyes  
now her soul is dead  
now her body's raw  
wash away her pain  
she wants you to ease her pain  
she wants you to eat her remains
