

Do You Think I'm A Whore - 1/1

Interprété par Kittie.

The knife is on the table
I pray myself to sleep
All i know is all I know
Remember what you sew is what you reap
Fuck you, I fucking believe you
[These are you words for me
A little sheltered girl is what I'll always be
So loving&considerate
Too scared of what I'll be
I look into the mirror
The whore is all I see]
Like you, like me
Diminished, selfish boy, I'll never see
Like you, like me
I never want to be like me
Do you think I'm a whore?
I'm a whore? I'm a whore? I'm a whore.
How could I fuckin believe you?
[...]
Like you, like me
I'll never change, I'm stuck in
Like you, want me
Know me, for eternity
I'm a whore whore, I'm a whore (x4)
Whore, whore, haha haha, I'm a whore
