

Change - 1/1

Interprété par Lisa Stansfield.

If i could change the way i live my life today
i wouldn't change a single thing
'cos if i changed my world into another place
i wouldn't see your smiling face

Honney don't you worry, there's nothin' to worry for
'cos if i didn't love you i wouldn't be here now
and if i didn't want you i would have turned around by now

You've got to believe me babe, believe that i love you so
'Cos if i didn't love you i would have turned around
And if i didn't want you, then i would want you out

This love, this love has filled me up
Ooh my love i'll never give you up
'Cos i'll always want your love

Believing is the answer, the answer to all your fears
When i first said i loved you, i went in for the kill
Now when i say I love you, I mean I always will

This love, this love has filled me up
Ooh my love I'll never give you up
'cos I'll always want your love

If I could change the way I live my life today
I would'nt change a single thing
'Cos if I changed my world into another place
I would'nt see smiling face
