

## Gotta Get Thru This - 1/2

**Interprété par Daniel Bedingfield.**

If only I could get thru this  
If only I could get thru this

I gotta get thru this  
I gotta get thru this  
I gotta make it  
I gotta make it  
Gotta make it thru

Said I gotta get thru this  
I gotta get thru this  
I gotta take my  
Gotta take my mind off you

Give me just a second and I'll be alright  
Surely one more moment couldn't break my heart  
Give me till tomorrow then I'll be ok  
Just another day and then I'll hold you tight

When your love is falling like the rain  
I close my eyes and it falls again  
When will I get the chance to say I LOVE YOU  
I pretend that your already mine  
Then my heart ain't breaking every time  
I look into your eyes

If only I could get thru this  
If only I could get thru this  
If only I could get thru this  
God  
Gotta help me get thru this

I gotta get thru this  
I gotta get thru this  
I gotta make it  
I gotta make it  
Gotta make it thru

Said I gotta get thru this  
I gotta get thru this  
I gotta get thru this  
I gotta take my  
Gotta take my mind off you

Give me just a second and I'll be alright  
Surely one more moment couldn't break my heat  
Give me till tomorrow and I'll be ok
