

Something For The Pain - 1/2

Interprété par Bon Jovi.

Happiness, it's been no friend to me,
But forever after ain't what it's all cracked up to be
Yeah, I had a taste, you were my fantasy,
But I almost lost my faith when I hit reality
I don't need no Guru to tell me what to do
When your feeling like a headline on yesterday's news

Come on ,come on, come on
Give me something for the pain
Give me something for the blues
Give me something for the pain when
I feel I've been danglin' from a hang-man's noose
Give me something for the pain
Give me something I can use
To get me through the night,
Make me feel all right, something like you
Come on, come on, come on

Loneliness has found a home in me
My suitcase and guitar are my only family
I've tried to need someone, like they needed me
I opened up my heart, but all I did was bleed
I don't need no lover, just to get screwed
They don't make a bandage that's going to cover my bruise

Come on ,come on, come on
Give me something for the pain
Give me something for the blues
Give me something for the pain when
I feel I've been danglin' from a hang-man's noose
Give me something for the pain
Give me something I can use
To get me through the night,
Make me feel all right, something like you
Come on, come on, come on

Pull me under
Run through my veins
To a place where I feel no pain
Be the pillow under my head,
Give me cover when I'm in my bed
Take me higher than I've ever been
Take me down and back again
Come to me, be my disguise
Open your coat, let me crawl inside
Come on, come on, come on
Come on, come on, come on

Help I'm falling
Night is calling
Feels like I'm flying
Christ I'm dying
