

Show Me Your Colours - 1/1

Interprété par S Club 7.

You cast a spell over me don't know wehere to turn to anymore
I see your face every morning when i wake up
every night when i go to bed
You're here with me somehow, don't konw how
I can feel you right now,so close, so real

Do, do, do, do, do
Show me your colours

Show me, show me your colours (show me)
Don't break this spell I'm in, please don't break my heart
Show me, show me your colours (baby)
Tell me who you really are

I know you want what i want, far away, but still within our reach
Do you dare, are you brave enough to show me
what your heart really wants to do
I say your name to myself out loud, I want to have you all around
Like a cover for the cold on the outside,
making love in the candle lights

Do, do, do, do, do

Show me, show me your colours (show me)
Don't break this spell I'm in, please don't break my heart
Show me, show me your colours (baby)
Tell me who you really are

Baby, don't tell me I mean nothing, after all you did
Baby don't you tell me, tell me I mean nothing
Tell me I mean nothing to you, please show me now

Show me, show me your colours (show me)
Don't break this spell I'm in, please don't break my heart
Show me, show me your colours (baby)
Tell me who you really are

Show me, show me your colours (show me)
Don't break this spell I'm in, please don't break my heart
Show me, show me your colours (baby)
Tell me who you really are

I'm not allowed to adore you the way you know I really want but I do
Even though it's been a nightmare, to pretend that it's all okay
It's not the ealest thing to avoid, damage is already done
I'm in love whit you
