

# Runaway - 1/1

**Interprété par Bon Jovi.**

On the street where you live  
The girls talk about their social lives  
They're made of lipstick, plastic and paint  
A touch of sable in their eyes

All your life all you asked  
When is your Daddy gonna talk to you  
But you were living in another world  
Tryin' to get your message through

No one heard a single word you said  
They should have seen it in your eyes  
What was going around your head

Ooh, she's a little runaway  
Daddy's girl learn fast  
All those things he couldn't say  
Ooh, she's a little runaway

A different line every night  
Garanteed to blow your mind  
See you out on the streets  
Call me for a wild time  
So you sit home alone  
Cause there's nothing left you can do  
There's only pictures hung in the shadows  
Left there to look at you

You know she likes the lights  
At night on the neon Broadway signs  
And she don't really mind  
Its only love she hoped to find

Ooh, she's a little runaway  
Daddy's girl learn fast  
All those things he couldn't say  
Ooh, she's a little runaway

No one heard a single word you said  
They should have seen it in your eyes  
What was going around your head

Ooh, she's a little runaway  
Daddy's girl learn fast  
All those things he couldn't say  
Ooh, she's a little runaway
