

Something I Can Never Have - 1/1

Interprété par Nine Inch Nails.

i still recall the taste of my tears.
echoing your voice just like the ringing in my ears.
my favorite dreams of you still wash ashore.
scraping through my head 'till i don't want to sleep anymore.
come on tell me.
make this all go away.
you make this all go away.
i'm down to just one thing.
and i'm starting to scare myself.
make this all go away.
you make this all go way.
i just want something.
i just want something i can never have
you always were the one to show me how
back then i couldn't do the things that i can do now.
this is slowly take me apart.
grey would be the color if i had a heart.
i just want something i can never have.
in this place it seems like such a same.
though it all looks different now,
i know it's still the same
everywhere i look you're all i see.
just a fading fucking reminder of who i used to be.
come on tell me.
make this all go away.
you make this all go away.
i'm down to just one thing.
and i'm starting to scare myself.
make this all go away.
you make this all go way.
i just want something.
i just want something i can never have
i just want something i can never have
think i know what you meant.
that night on my bed.
still picking at this scab
i wish you were dead.
you sweet and perry ellis.
just stains on my sheets.
