

# I Really Miss You - 1/1

Interprété par S Club 7.

I called you today just to hear you say you were not around  
When the message was through, through I wanted to  
I couldn't make a sound  
I wanna tell you the things I've seen  
I wanna take you to where I've been  
And I wish you were you here with me

I really miss you Yes I do-yeah  
I really miss you  
Ohhhh yeah I do

I'm writing to say-I had a wonderful day  
Hangin' with my friends  
But the memory dies as the sun reach the skies-I'm alone again  
I wanna tell you the weather is fine  
When the night comes around you were on my mind  
And I wish you were here with me  
Don't you know

I really miss you  
Yes I do-yeah  
I really miss you  
Ohhhh yaeh I do  
I really miss you  
Ohhhh yeah I do

I wanna tell you the things I've seen  
I wanna take you to where I've been  
And I wish you were here with me  
Oh don't you know

I really miss you  
Yes I do yeah  
I really miss you  
I miss you
