

I Really Miss You - 1/1

Interprété par S Club 7.

I called you today just to hear you say you were not around When the message was through, through I wanted to I couldn't make a sound I wanna tell you the things I've seen I wanna take you to where I've been And I wish you were you here with me

I really miss you Yes I do-yeah I really miss you Ohhhh yeah I do

I'm writing to say-Ihad a wonderful day
Hangin' with my friends
But the memory dies as the sun reach the skies-I'm alone again
I wanna tell you the weather is fine
When the night comes around you were on my mind
And I wish you were here with me
Don't you know

I really miss you Yes I do-yeah I really miss you Ohhhh yaeh I do I really miss you Ohhhh yeah I do

I wanna tell you the things I've seen I wanna take you to where I've been And I wish you were here with me Oh don't you know
