Ballerina girl

You walk so lovely

With you standing there I'm so aware

Of how much I care for you

You are more than now

You are for always

I can see in you my dreams come true

Don't you ever go away

You make me feel like there's nothing I can do

And when I hold you

I only want to say I love you

Ballerina girl

The joy you bring me

Every day and night, holding you tight

How I've waited for your love

Sometimes I've wondered if you'd ever come my way

Now that I've finally found you

This is where my heart will stay

I, I'm never gonna break your heart

Never will we drift apart

'Cause all I wanna do is share my whole life with you

'Cause you make me feel like there's nothing I can do

I guess I've finally realized there nothing else like loving you

Ballerina girl

You walk so lovely

I can see in you my dreams come true

Don't you ever go away
