## Ballerina Girl - 1/1

Ballerina girl You walk so lovely With you standing there I'm so aware Of how much I care for you

You are more than now You are for always I can see in you my dreams come true Don't you ever go away

You make me feel like there's nothing I can do And when I hold you I only want to say I love you

Ballerina girl The joy you bring me Every day and night, holding you tight How I've waited for your love

Sometimes I've wondered if you'd ever come my way Now that I've finally found you This is where my heart will stay

I, I'm never gonna break your heartNever will we drift apart'Cause all I wanna do is share my whole life with you

'Cause you make me feel like there's nothing I can do I guess I've finally realized there nothing else like loving you

Ballerina girl You walk so lovely I can see in you my dreams come true Don't you ever go away

Ballerina girl…
