

## Love 4 Fun - 1/1

## Interprété par Enrique Iglesias.

So you think you got it all worked out And what you're searching for Isn't what you found

Up in this world that's on the run A lot of hits but only a few Number ones

I'm making love for fun
Are you looking for a holiday
I'm making love for fun
Why would you do it any other way

I'm making good On everything I said So baby just relax And let me do my thing

Up In my world you better run There's only room For the few who can come

When you don't have a place to go When everything feels the same I can change what you think you know Making love my way
