I'm gonna make you love me,
Wassup girls
Hi chris!
So you ready?
Yea we're ready but are you ready?
I don't know, lets find out

I'm gonna do all the things for you
To show you that my love is true
Oh baby (Oh baby)
I'll sacrifice for you
I'll always do what's right for you
Oh baby (Oh baby)

Every minute every hour
I'm gonna shower
You with love and affection
Look out,it's coming in your direction

And i'm gonna make you love me
Ooh yes i will,yes i will
I'm gonna make you love me
Ooh yes i will
Yes i will

Look here-My love is strong,you see
I know you'll never get tired of me
Oh baby (Oh baby)
And i'm gonna use every trick in the book
I'll try my best to get ya hooked
Oh baby (Oh baby)

And every night every day
I'm gonna get ya,i'm gonna get ya
Look out girl'cause i'm gonna get ya

I'm gonna make you love me
Ooh yes i will,yes i will
And i'm gonna make you love me
Ooh yes i will,yes i will

Every breath i take
And each and every step I make
Brings me closer baby, closer to you

And with each beat of my heart
For every day that we're apart
