[00:53]extreme ways are back again
[00:56]extreme places i didn't know
[00:58]i broke everything new again
[01:00]everything that i'd owned
[01:02]i threw it out the windows, came along
[01:05]extreme ways i know move apart
[01:07]the colors of my sea
[01:09]perfect color me

[01:12]extreme ways that that help me
[01:14]help me out at night
[01:17]extreme places i had gone
[01:19]but never seen any light
[01:22]dirty basements, dirty noise
[01:23]dirty places coming through
[01:27]extreme worlds alone
[01:29]did you ever like it planned

[01:31]i would stand in line for this
[01:36]there's always room in life for this

[01:41]oh baby, oh baby
[01:45]then it fell apart, fell apart
[01:50]oh baby, oh baby
[01:55]then it fell apart, it fell apart
[02:00]oh baby, oh baby
[02:04]then it fell apart, it fell apart
[02:10]oh baby, oh baby
[02:14]like it always does, always does

[02:19]extreme songs that told me
[02:21]they helped me down every night
[02:24]i didn't have much to say
[02:26]i didn't get above the light
[02:28]i closed my eyes and closed myself
[02:31]and closed my world and never opened
[02:33]up to anything
[02:36]that could get me along

[02:39]i had to close down everything
[02:40]i had to close down my mind
[02:43]too many things to cover me
[02:45]too much can make me blind
[02:48]i've seen so much in so many places
[02:50]so many heartaches, so many faces
[02:52]so many dirty things
[02:56]you couldn't believe
