

Green Eyes - 1/1

Interprété par Coldplay.

"Green Eyes"

Honey you are a rock
Upon which I stand
And I came here to talk
I hope you understand
The green eyes, yeah the spotlight, shines upon you
And how could, anybody, deny you
I came here with a load
And it feels so much lighter now I met you
And honey you should know
That I could never go on without you
Green eyes

Honey you are the sea
Upon which I float
And I came here to talk
I think you should know

The green eyes, you're the one that I wanted to find
And anyone who tried to deny you, must be out of their mind
Because I came here with a load
And it feels so much lighter since I met you
Honey you should know
That I could never go on without you
Green eyes, green eyes
Oh oh oh oh [x4]

Honey you are a rock
Upon which I stand
