"4 Seasons of Loneliness"

I long for the warmth of days gone by
When you were mine
But now those days are memories in time
Life's empty without you by my side
My heart belongs to you
No matter what I try

When I get courage up to love somebody new
It always falls apart cause they just
Can't compare to you
You love won't release me
I'm bound under ball and chain
Reminiscing our love as I watch four season's change

[Chorus:]

In comes the winter breeze
That chills the air and drifts the snow
And I imagine kissing you under the mistletoe
When springtime makes its way here
Lilac blooms reminds me of the scent of your perfume
When summer burns with heat
I always get the hots for you
Go skinny dippin' in the ocean where we used to do
When autumn sheds the leaves the trees are bare
When you're not here it doesn't feel the same

Remember the nights when we closed our eyes
And vowed that you and I would be in love for all time
Anytime I think about these things is shared with you
I break down and cry cause I get so emotional
Until you release me I'm bound under ball and chain
Reminiscing our love as I watch four seasons change

[Chorus]

This loneliness
Has crushed my heart
Please let me love again
Cause I need your love to comfort me and ease my pain
Or four seasons will bring the loneliness again

[Chorus]
