Oh, oh

Let me show you that I can
Make you feel so right
You and me tonight

Baby I wanna know if you can come with me
Baby I'm ready
I'm ready for your love
I wanna know if you can come with me
Baby I'm ready
You know the time is now

The time is right
Don't be shy
Spend the night
And let come and
Save tonight
Turn down the lights
I wanna love you girl

The time is right
Don't be shy
Spend the night
And let come and
Save tonight
Turn down the lights
I wanna love you girl

I wanna love you
Oh girl you feel so good to me
So right, so right...
