By 2Pac f/Dramacydal

It's just me against tha World....
ooohhhhh ooohhhhh.....
just me against tha world baby....
ohhhhhh ohhhhhh.....
I got nothin' ta lose, it's just me against tha world.....
ohhhhh..... Stuck in tha game
Me against tha world baby

Can you picture my prophecy?
Stress in tha city. Tha cops is hot for me.
Tha projects is full of bullets.
Tha bodies is droppin', there ain't no stoppin me.
Constantly movin' while makin' millions.
Witnessin' killings. Leavin dead bodies in abandoned building.
Scary's tha children, 'cause they're illin'.
Addicted to killin' a near appeal from tha cap pealin'.
What I'm feelin'. But will they last or be blasted.
Hard headed bastard. Maybe he'll listen in his casket. Tha aftermath.
More bodies being buried.
I'm losin my homies in a hurry. They're relocating to tha cemetery.
Got me worried, stressin'. My visions blurred.
Tha question is will I live. No one in tha world loves me.
I'm headed for danger. Don't trust strangers.
Put one in tha chamber. Whatever I'm feelin' is anger.
Don't wanna make excuses.
'Cause this is how it is.
What's tha use? Unless we're shootin', no one notices tha youth.
It's Just Me against tha World baby

ooohhhhh
Me against tha world
It's Just me against tha world
ooohhhhh
It's Just Me Against tha World
Me Against tha World
'Cause it's just me against tha world baby
Me against tha World
ooohhhh yeeah
I got nothin' ta lose
It's Just me against tha world baby
I got nothin' ta lose

[Dramacydal:]
Could somebody help me?

Me Against the World - 2/3

I'm out here all by myself, seeing ladies in stores
baby capones livin wealthy
Pictures of my birth on tha surface
What I'm dreamin'. Seein' daddy seein' full of crooked deamons
Already crazy and screamin'
I guess them nightmares as a child
had me scared but left me prepared for awhile
Is there another route for crooked outlaws
that are in a villian of young thugs.
Everyday is more death. Plus I'm more rollin.
I'm seein more beatins for me to proceed with fear.
Scheme on scheming and leavin' their peeps greivin'
'cause ain't no bucks ta stack up.
My nuts is backed up. I'm about ta act up.
Go load tha mack up. Now watch me klack up.
Try makin' fat cuts. But yo it ain't workin.
And evil's lurkin'. I can see him smirkin'. When I gets tha bourbon.
So what. Go put some work in a
nd make my mail makin' sells riskin 25 with a 'L', but oh well

[chorus]

[Tupac:]

With all this extra stressin'. Tha question, I wonder
is after death, I feel my last breath
when will I finally get to rest from this supression?
They punish tha people that's askin questions
and those that possess steal from tha ones without possessions.
Tha message I stress, to make it stop.
Study your lessons, don't settle for less.
Even tha genius asks questions.
Be grateful for blessings.
Don't ever change. Keep your essence.
Tha power's in tha people and tha politics we address.
Always do your best
Don't let this pressure make ya panic
And when ya get stranded, and things don't go tha way ya planed it
Dreaming of riches. In a position of makin' a difference
Politicians and hypocrites, they don't wanna listen
If i'm insane, then tha fame ain't about ta change
It wasn't nothin' like tha game
It's just me Against tha World

[Chorus]

Remember one thing
Through every dark night, there's a bright day after that
So no matter how hard it gets
stick ya chest out, keep ya head up and handle it

Me Against the World - 3/3

Me against tha World.
Me against tha world.
Me against tha world....
