

# Sugar Rush - 1/1

**Interprété par A Teens.**

I get a high whenever you're around  
Sweeping from my head to my toes  
I gotta get my feet back on the ground

Cuz you make me go out of my way  
Crossing the line making my say what I have in mind

You make me so excited  
And I don't wanna fight it  
I start to blush  
You are my Sugar Rush  
Ain't nothing better baby  
Is it for real or maybe?  
I start to blush  
You are my Sugar Rush

I got a sweet and fine taste for you  
It might me too obvious but  
I can't help my self from what I do

Cuz you make me go out of my way  
Crossing the line  
Making my say what I have in mind

You make me so excited  
And I don't wanna fight it  
I start to blush  
You are my Sugar Rush  
Ain't nothing better baby  
Is it for real or maybe?  
I start to blush  
You are my Sugar Rush

Baby you're my Sugar Rush  
I get weak and talk too much  
You're the sweetest thing I ever tasted  
Baby you're my Sugar Rush  
I get weak and talk too much
