

Stay The Night - 1/2

Interprété par 98 Degrees.

In the still of my heart
There's a fire that burns my sole's desire
Touching me, like the sun
Here and now I give my love so faithfully
That I will always be the one

I wanna stay with you tonight
I don't wanna leave,
Cause I feel the time is right
Don't wanna go before I say,
What I have to say
Don't ask me to walk away
I wanna stay tonight, wanna stay the night

Holding you close to me
The first time that your body moved with mine
Let the mood ease your fears
Caressing as I whisper in your ears
That I will always be the one

I wanna stay with you tonight
I don't wanna leave,
Cause I feel the time is right
Don't wanna go before I say,
What I have to say
Don't ask me to walk away
I wanna stay tonight,
Wanna stay the night

Now is the time,
I've been waiting for so long
Just give me a sign,
Cause it's here where I belong
Ohh oh yeah (stay the night)

I wanna stay with you tonight (stay)
I don't wanna leave (I don't wanna leave)
Cause I feel the time is right (Baby please tonight)
Don't wanna go before I say
What I have to say (what I have to say)
Don't ask me to walk away (baby, don't walk away)
I wanna stay tonight,
Wanna stay the night (wanna stay the whole night baby)

(Wanna stay the whole night baby
Wanna give you everything and more
What I have to say

Stay The Night - 2/2

Don't ask me to walk away
Stay the night, stay the whole night oh,
Yeah my baby, my baby tonight)

(Wanna stay the whole night baby
Wanna give you everything and more
What I have to say
Don't ask me to walk away
Stay the night, stay the whole night oh,
Yeah my baby, my baby tonight)

(Wanna stay the whole night baby
Wanna give you everything and more
What I have to say
Don't ask me to walk away
Stay the night, stay the whole night oh,
Yeah my baby, my baby tonight)

Dont wanna go now,
I wanna stay the night don't wanna go now,
Don't ask me to walk away
