

## By My Side - 1/1

**Interprété par Three Doors Down.**

They blazed a trail I dared to run  
They built this world and I have come  
I need another, like a brother  
For a cryin' shoulder  
This could be the last time, you will  
Stand by my side  
I can feel my soul it's bleeding,  
Will you fly with me this evening  
Sober mind time now is gone,  
They carved my  
Body not of stone  
A pretty maze emptiness,  
I've said the hell  
With all the rest  
This could be the last time, you will  
Stand by my side  
I can feel my soul it's bleeding, will you fly  
With me tonight  
This could be the last time, you will  
Stand by my side  
I can feel my soul it's bleeding, will you fly  
With me this evening.
