

## My Friend's Over You - 1/2

Interprété par New Found Glory.

i'm drunk off your kiss  
for another night in a row  
this is becoming too routine for me  
but i didn't mean to lead you on  
and its alright to pretend  
that we still talk  
its just for show, isn't it?  
its my fault that it fell apart  
just maybe you need this  
and i didn't mean to lead you on  
you were everything i wanted  
but i just can't finish what i started  
theres no room left here on my back  
it was damaged long ago  
though you swear that you are true  
i still pick my friends over you  
my friends over you  
please tell me everything  
that you think that i should know  
about all the plans you made  
when i was nowhere to be found  
and its alright to forget  
that we still talk  
its just for fun, isn't it?  
its my fault that it fell apart  
just maybe you need this  
and I didn't mean to lead you on  
you were everything i wanted  
but i just can't finish what i started  
theres no room left here on my back  
it was damaged long ago  
though you swear that you are true  
i still pick my friends over you
