

I Am Made Of You - 1/2

Interprété par Ricky Martin.

I came a long way
From out of nowhere
I stand before you
All alone
Like a wolf's cry in the distance
I heard the calling
Of your soul
Oh...I hear your cryin'

CHORUS:

With your love
Show me how to live
'Cause you are made of me
And I am made of you
With your life
Show me How to give
You are made of me
And I am made of you

We'll walk together
Through the fire
Through the darkness
To the sun
Like two raging rivers full of passion
At the ocean
We are one
Oh...I hear you cryin'

REPEAT CHORUS

I am made of you
You are made of me
And everything you are
Is what I'm meant to be
I am made of you
You are made of me
And everything I am
Is what you made of me
Oh...I hear you crying
Oh...Through the darkness
To the light...

With your love
Show me how to live
'Cause you are made of me
And I am made of you
With your life

I Am Made Of You - 2/2

Show me how to give
You are made of me
With your heart
Show me what is true
'Cause you are made of me
And I am made of you
With your soul
Walk my spirit through
You are made of me
And I am made of you
Oh...I hear you crying
Through the darkness
To the light...
