

If You Had My Love (Dark Child Remix) - 1/2

Interprété par Jennifer Lopez.

[Rodney Jerkins]

C'mon and just dance a little
Let me see you dance a little
I like it when you dance a little
Baby work it out just dance a little

[Jennifer Lopez]

Now if I give you me, this is how it's got to be
First of all I won't take your cheating on me
And who can I trust if I can't trust in you
And I refuse to let you play me for a fool

You said that we, could possibly
Spend eternity, see that's what you told me
That's what you told me
Well if you want me
You have to be fulfilling of my needs
If you really want me baby

If you had my love
And I gave you all my trust
Would you comfort me
And if somehow you knew
That your love would be untrue
Would you lie to me
And call me baby

You said you want my love
And you got to have it all
But first there are some things you need to know
If you wanna live with all I have to give
I need to feel true love or it's got to end, yeah

I don't want you to get with me
And I get my heart hurt, please
I don't need the hurt, I don't need the pain
So before I do, give myself to you
I have to know the truth
If I spend my life with you

Repeat Chorus (2x)

[Rodney Jerkins]

C'mon and just dance a little
Let me see you dance a little
I like it when you dance a little
Baby work it out just dance a little
