

## Just that good - 1/1

Interprété par The Calling.

A little paint, to cover what's deep inside  
A little truth you know we all want to hide  
Well I'm trying I'm trying now to get to you  
But you're telling me like you always do, you say

Don't hate me, 'cause I'm just that good

I've got to hand it to you now  
You're a hard one to please  
When it looks as though you've got all you need  
And all the many times I've dreamed  
I could walk in your shoes,  
What a nightmare it must be  
Just being you... say

Chorus:

Don't hate me, Cause I'm just that good  
A little misunderstood  
You made me, so I'm just that good

Step outside, walk with me  
Everyone I know and see is falling  
Is crawling after something maybe,  
A bigger house, faster car, never knowing who they are  
They're lonely, they're lonely, they're lonely

Chorus

All this time will take its toll on you  
As the same it will on me  
Well good ain't all that good's made out to be  
Don't hate me, we're all just that good  
Just that good
