

# Final Answer - 1/1

## Interprété par The Calling.

I want love
To carry me through
All the moments, I'd kindly undo
Locked away
So I can feel safe

Now that I'm down on my knees, begging for chance Look down at the water Before I jump in To find I was sinking fast, in all that might have been

#### Chorus:

What I need now is an honest answer, to make things better You can see now my hands are tired, and I surrender So I'll wait here for your final answer, your final answer

Is there love without hate
Is there pleasure without pain?
I have seen all my mistakes
I cast you out, but now, I want you back
So light me again, 'cause my heart is turning black

#### Chorus

Remember the night you wore that dress It flowed through our lips Drink after drink and kiss after kiss I'm still holding on, day after day Don't run away

I want love to carry me through Can you tell me what I'm supposed to do

### Chorus
